We are a “church” as derived from the Greek word *ekklesia*, which means an assembly of people – a community. We believe in the **Seven Principles** which are grounded in the humanistic teachings of the world’s religions.

1. The inherent worth and dignity of every person.
2. Justice, equity and compassion in human relations.
3. Acceptance of one another and encouragement to spiritual growth in our congregation.
4. A free and responsible search for meaning and truth.
5. The right of conscience and the use of the democratic process within our congregation and in society at large.
6. The goal of world community with peace, liberty, and justice for all
7. Respect for the interdependent web of all existence of which we are a part.

APPLEFEST

We will be at the Central Square Applefest (in Brewerton) with a table selling baked apple products on Saturday and Sunday, September 26 and 27. We need people to help bake at the church prior to those dates and to be selling products at the table at the event. We all know what we're better at and we're calling for all hands on deck to make this event a success.

Please contact Ellen (dartfrog7777@aol.com), Katie Haberer (kahaberer@yahoo.com) or Nancy Hallock (njhallock@gmail.com) to tell us what you're willing to help with.

This is a much needed money maker for the church. Please respond with what you can do to help.

COMMUNITY SERVICE

The girl scouts are sponsoring the **Youth Empowerment Initiative program**. This is a community driven referral system that provides up to 40 families with needed resources. Currently 27 families are involved.

SOCIAL JUSTICE COMMITTEE – Nancy Hallock.

I have been talking informally with committee and other church members about social issues and fundraising ideas.

How to reach the public to rent space? - use our new sign!

Can we offer rides to polling sites?

I'm sure there is more to discuss and share, so just email me, or talk up at coffee time.

Thanks for reading. Nancy

BOOK CLUB (Zoom)

The book club will meet the last Wednesday of the month during the summer at 1PM on [ZOOM](#)

These upcoming books will both be discussed:

"A Psalm for the White Bull" and "A Prayer for the Crown-Shy". Discussion on 8/26

* Next book discussion is 9/30 Book TBD

MARKETING COMMITTEE – Susan, Katie, Arny, Brenda.

* The new web site is done but not activated yet! There is a new URL – FirstUCS.org. We'll advise everyone when it's activated. The old site will remain active for at least 6 months. A notice will be put on the old site directing people to the new. We also have a Facebook and Instagram page.

* Be sure to request and use our very attractive, pride color UUA book marks. They have the Seven Principals on one side and our Sources on the other. Carry a few with you and be ambassadors for 1st U.

* Reminder - **wear your 1st U hoodies and T's**, not just to Service but everywhere!

* The ***most effective way to grow our Congregation is by personal contact.*** Invite people to our Service. Tell them about our Seven Principals. Many people are looking for an accepting community and that's us! With our Zoom connection they can be anywhere.
SPREAD THE WORD.

* If you have ideas on how we can let others know about our openness and acceptance to all beliefs, please let a committee member know.

PALESTINE IS KEY
**An Opportunity for Us to
Live Our Seven Principals.**

Compiled by Arny Stieber

Our Seven Principals guide us in our relations. The first Principal is: The inherent worth and dignity of every person. Our fourth Principal is: A free and responsible search for truth and meaning.

I realize that many people think Palestine has no relationship with what's going on in the Middle East. However, based on many reports I've seen (not in the U.S. of course), Palestine is at the heart of the violence perpetuated by Israel and fully supported with our tax dollars. The violence has spread across the Middle East and may soon go beyond. The reason for this violence is because there have been **no consequences for illegal and/or immoral actions.** The last link below points this out.

The first link below is updated daily and has a wealth of information. The next are historical. The last is about an attack on a U.S. military ship that killed 34 and wounded over 170 of our military.

* [The Day Israel Attacked the U.S.](#)

Why does Palestine matter? Our government is violating International (Genocide Convention and others) and U.S. law (Leahy law and others) because of its support for the destruction and death in Palestine. Over \$40 billion of our tax dollars has been spent in the past two and a half years supporting this illegal and immoral activity. This money could have been spent helping WE THE PEOPLE. One area – 20% of U.S. children go to bed hungry every night. I'm always open for discussion. Please contact me (voice or text) 734-216-1814.
